

# WE'RE OPEN

## **A message to our tenants**

We have been monitoring the current Coronavirus situation closely. In an attempt to stay ahead of it, we have increased the frequency with which we sanitize commonly touched surfaces, maintained our already high standards of cleanliness, and have followed the guidance by the CDC to ensure that we are providing a safe and healthy facility for our guests to enjoy. Given the current situation, we are still open for business, but will closely monitor the situation with our property managers in the event that a closure becomes necessary, and we will communicate this to our guests as quickly as possible at that time. In the meantime, we are making the following changes to our normal operations.

**Salad bars are closed and will be replaced by premade salads of varying types and sizes. We can no longer allow reusable cups to be brought into our cafes and there will be a suspension of free refills on the soda fountain.**

Please be well, and we hope to see you soon!
